Need Project Report

July 2019

Hello Gordon

I went to see my client yesterday she was so proud to show me her table and chairs that you kindly provided.

Thank you so much for not only bringing a smile to her face, but for also allowing the children to have family time sitting at a table and bringing them altogether.

Hi

I would like to say thank you for my food parcels that arrived today 30th July

Thank you

There's a Cost.

None of this could happen without funds so we are actively seeking funds through grants and donations.

Would you consider donating something on a regular basis? If you can and are willing, please let our Administrator (Dave Marchant) know and he will tell you how to do it e-mail:

admin@theneedproject.co.uk.

Lots of small monthly donations can become a big amount of funding every month. Annual or one-off donations are good too. Together we can make a difference.

Our objectives

To relieve persons in Central Bedfordshire and the surrounding area that are in poverty or financial hardship in such ways as the Trustees from time to time think fit, in particular, but not exclusively by:

1. Providing food parcels to support individuals and families who are experiencing food deprivation.
2. Providing other items to meet immediate and essential needs, as resources allow.
3. Developing other forms of support to meet immediate need and alleviate financial hardship.

Our values

We are a Christian organisation motivated by Jesus' teaching on poverty and injustice. We operate according to Christian principles of compassion, honesty, integrity, openness, kindness and care of all people, regardless of backgrounds or beliefs (or none). We are passionate about inclusion and being non-judgemental is central to what we do. We believe that everyone has the right to have food on their plate, dignity, skills, a chance to work and hope for the future.

Please pass this report on to anyone who would be interested in the work of the Need Project.
