Statistics

Furniture, Furnishings and White Goods

Due to us no longer having storage space for goods other than food, we are no longer able to supply any furniture, white goods or furnishings and clothing. Instead we will just be concentrating on our core purpose, which is to feed those in need.

There's a Cost.

None of this could happen without funds so we are actively seeking funds through grants and donations.

Would you consider donating something on a regular basis? If you can and are willing, please let our Administrator (Dave Marchant) know and he will tell you how to do it e-mail:

admin@theneedproject.co.uk .

Our objectives

To relieve persons in Central Bedfordshire and the surrounding area that are in poverty or financial hardship in such ways as the Trustees from time to time think fit, in particular, but not exclusively by:

1. Providing food parcels to support individuals and families who are experiencing food deprivation.
2. Developing other forms of support to meet immediate need and alleviate financial hardship.

Our values

We are a Christian organisation motivated by Jesus' teaching on poverty and injustice. We operate according to Christian principles of compassion, honesty, integrity, openness, kindness and care of all people, regardless of backgrounds or beliefs (or none). We are passionate about inclusion and being non-judgemental is central to what we do. We believe that everyone has the right to have food on their plate, dignity, skills, a chance to work and hope for the future.

Please pass this report on to anyone who would be interested in the work of the Need Project.
