We would like to say a big 'Thank You' to those who make donations regularly

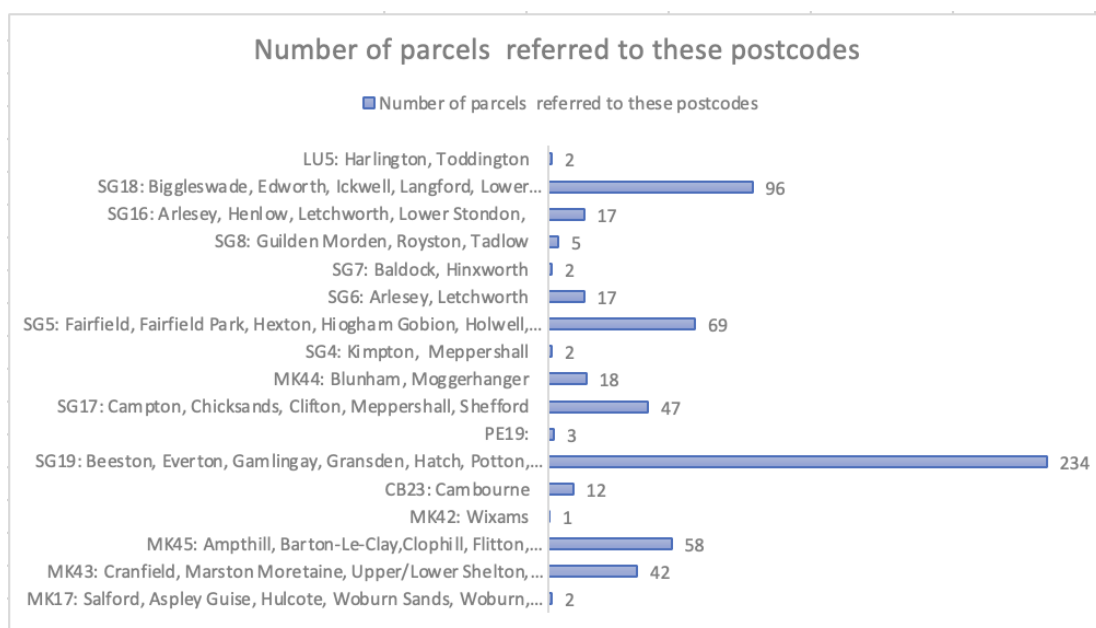

## The reasons people are being referred for food parcels & how many have a disability

## Age distribution

## Distribution of referrals by postcode

*We are continuing to provide food for refugees as required.*

***Around £700 per month is being spent on fuel alone, collecting food and delivering food parcels in the villages around rural Central Bedfordshire. That is equal to £8400.00 a year!***

### ***Our objectives***

To tackle food poverty throughout Central Bedfordshire and surrounding areas, by providing food parcels to support individuals and families, via our referral system.

### ***Our values***

We are a Christian organisation motivated by Jesus' teaching on poverty and injustice. We are passionate about inclusion and being non-judgemental is central to what we do. We believe that everyone has the right to have food on their plate, dignity, skills, a chance to work and hope for the future.
