*In addition to all our food parcels, we also give away fresh food that has just reached its best before date and would otherwise be disposed of and wasted. More than 300 of these parcels are collected each month with an approximate value of £8.00 per bag.*

*We are continuing to provide food for refugees as required.*

***We are currently spending around £600 per month on fuel, collecting food and delivering food parcels, which as we all know is continuing to rise.***

### ***There is a cost***

None of this could happen without funds so we are actively seeking funds through grants and donations.

Would you consider donating something on a regular basis?

Please contact our Administrator Jean Lloyd who will tell you how to do it e-mail: [admin@theneedproject.org](mailto:admin@theneedproject.org)

*A big 'Thank You' to those that have been making donations each month.*

### ***Our objectives***

To tackle food poverty throughout Central Bedfordshire and surrounding areas, by providing food parcels to support individuals and families, via our referral system.

### ***Our values***

We are a Christian organisation motivated by Jesus' teaching on poverty and injustice. We are passionate about inclusion and being non-judgemental is central to what we do. We believe that everyone has the right to have food on their plate, dignity, skills, a chance to work and hope for the future.

Please pass this report on to anyone who would be interested in the work of the Need Project.
