In addition to the 646 food parcels distributed in November, we have given over 300 bags of fresh food out, at our Drop by, Pop-up sessions in

Stotfold, Sandy & Shefford.

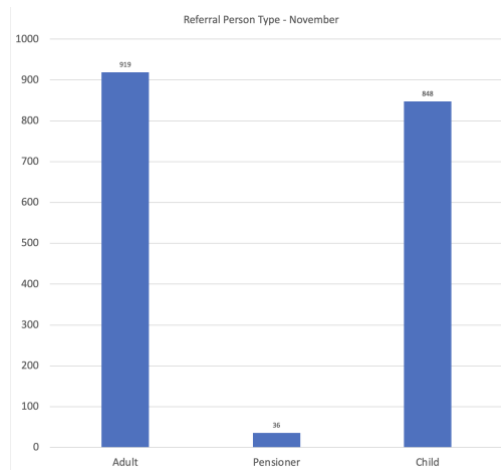

Food donated by supermarkets, that has just reached its best before date and would otherwise be disposed of and wasted.

With an approximate value of £8.00 per bag the total value of food shared has reached the staggering sum of £36,684.00 this month.

We are continuing to provide food for refugees as required.

We are currently spending around £600 per month on fuel, collecting food and delivering food parcels in the villages around Central Bedfordshire.

There is a cost

None of this could happen without funds, so we are actively seeking funds through grants and donations.

Would you consider donating something on a regular basis?

Visit <https://theneedproject.org/donate/> for further information.

We would like to say a big **'Thank You'** to those who make donations regularly.

Our objectives

To tackle food poverty throughout Central Bedfordshire and surrounding areas, by providing food parcels to support individuals and families, via our referral system.

Our values

We are a Christian organisation motivated by Jesus' teaching on poverty and injustice. We are passionate about inclusion and being non-judgemental is central to what we do. We believe that everyone has the right to have food on their plate, dignity, skills, a chance to work and hope for the future.

Please pass this report on to anyone who would be interested in the work of the Need Project.
